COMET COMMAND

Comet Command Invited to Perform in Disney World!

COMING SPRING BREAK 2022

Two days ago, Mr. Matthews received confirmation that the Comet Command has been invited to march through the Magic Kingdom on April 8, 2022. Parade spots for Spring Break of 2022 are VERY competitive, and this is a HUGE honor. If our trip is approved by the Eastern admin and school board, we will travel from April 5-10, 2022. The trip will cost around \$1000 per person paid in installments over an 8-month period. We will spend 4 days in the 4 Disney World parks.

EHS Band students organized and put together a performance for Greentown's Third Sunday event.

"Two-thirds (66%) of Americans say that music education prepares someone to manage the tasks of their job more successfully."

Tractor Pull Concessions: Sign ups will be released online for both adult and student workers over the span of the week.
